

SCHOOLS OUT

HANGMAN

The traditional hangman game, can you guess the word without being hung!
Five levels of difficulty and a timer.

WORDSEARCH

Its great fun to make and print your own word search puzzles.

JUNIOR CROSSGRID

A very special junior version of DGC's best selling crossword program.
Three levels of difficulty.

FOUR IN A ROW

A thought provoking game, can you connect four before the computer does.
Four levels of difficulty.

REVERSI

One of the classic board games.
Ten levels of difficulty, demonstration mode and a bit of help if you need it.

School's Out has been specifically designed with the 7 - 14 year old in mind. Each game has been written with the intention of providing enjoyment, as well as stretching your child's mental ability. The package is supplied with a disc menu and full user instructions which makes SCHOOLS OUT very easy to use.
